---

## PROFESSIONAL EXPERIENCE

### KUTANGA ZWELA

April 2024 - Present

#### Software developer

I am currently developing a platform for teaching and learning Angolan national languages. whose technologies I am using are: reactJS, NesxtJS, clark, typescript  
it's been an incredible and very rewarding challenge, and I've learned a lot about technology and the business in general, not just providing a teaching platform but a new and rewarding experience.

### Capgemini

Jan 2023 - Sept 2024

#### Junior Software Engineer

Main subject / occupational skills covered :  
I work daily with cobol, jcl, db2, CICS, I also do integrated and unit tests, banking business models, scrum.

### Indra PT
